Made with the natural goodness of Wayanad

A SLICE OF TRADITION.

PLUM CAKE

Plum cakes are known for their rich, dense texture and deeply layered flavors. They are packed with dried fruits and warm spices that give every bite a sweet, slightly tangy, and aromatic taste. The combination of caramel notes and fruity richness makes them especially indulgent. Made with the natural goodness of Wayanad, they carry a touch of fresh, local flavors and purity. This unique richness is what makes plum cakes a festive favorite.
